Corrigendum

Corrigendum to “Energy wood production from private forests – Nonindustrial private forest owners' perceptions and attitudes in Croatia and Serbia” [Renew. Sustain. Energy Rev. 35 (2014) 515–526]

Pradipta Halder^{a,*}, Elvis Paladinić^b, Mirjana Stevanov^c, Sasa Orlović^c,
Timo J. Hokkanen^d, Paavo Pelkonen^a^a School of Forest Sciences, University of Eastern Finland, Joensuu, Finland^b Department for Forest Management and Forestry Economics, Croatian Forest Research Institute, Zagreb, Croatia^c Institute of Lowland Forestry and Environment, University of Novi Sad, Novi Sad, Serbia^d North Karelia Centre for Economic Development, Transport and the Environment, Joensuu, Finland

The authors regret that in the version of this article initially published, there was an error in Table 1. Specifically, for Gender, the Male and Female percentages were reversed. The correct figures are (Croatia: Male – 95%, Female – 5%; Serbia: Male – 89%, Female – 11%). The authors would like to apologise for any inconvenience caused.
